

## THIRTEENTH ANNUAL HOLIDAY FISH DRIVE

Dear Pelican Harbor Supporter:

We are pleased to announce the commencement of the 13<sup>th</sup> Annual Holiday Fish Drive. This season represents the time of hope, joy and love. It reminds us to appreciate the important things in life and share and show our love and compassion. Your kind and generous contributions to Pelican Harbor Seabird Station exemplify how we each can make a real difference in the world. Your contributions directly help Pelican Harbor aid injured wild birds by providing treatment with love, care and respect these beautiful and innocent birds deserve.

This year we would like to dedicate this Fish Drive to a very special friend of the Pelicans, Dr. Harold "Buddy" Heiss. Buddy lovingly devoted over 20 years of his life to Brown Pelicans. In addition to volunteering at PHSS, he helped develop life saving techniques that are now being used to repair damaged pelican pouches and remove fishing tackle from their stomachs. His love and dedication is truly an inspiration. He will be deeply missed, but his spirit always be with us and the birds.

We pledge to **match pound for pound** any contribution to Pelican Harbor Seabird Station (up to 10,000 pounds) from this date 'til New Year's Eve. Remember, every dollar contributed is vital since Pelican Harbor operates solely on our donations.

Thank you and may you have a very happy Holiday & New Year!

Sincerely,

**Jon & Kate Sage**
